Time: 9:30am-12:00pm

**Cost: FREE (if you are a Band Booster member)
\$75.00 (if you are not a Band Booster member)**

Our Annual Band Education Day will take place on Saturday, February 23 at Manhattan Junior High School. 5th grade band students will be practicing from 10-00-11:30am and will need to be at the Jr. High by 9:30am. Dress for the day is casual. We are bringing in band directors and instrument specialists to work with your child on basic fundamentals they have learned so far in band. The day includes a 90 minute lesson with a teacher that plays your child's particular instrument and pizza for lunch. I would really like for EVERYONE to attend. This is going to be a GREAT educational experience for your child. If there are conflicts, please contact Mrs. Pedziwater at (815)531-3217 or at cpedziwater@manhattan14.org.

Please sign and return the bottom portion to Mrs. Pedziwater NO LATER than Friday, January 18, 2019.
