

6TH GRADE BAND

Welcome to the Manhattan JH Band Program! I am really looking forward to another great year!

Many parents have questions as to how 6th grade band will practice once school starts, so I am hoping this will help!

Once school starts, the 6th grade band students will be participating in marching band. Marching band will practice from 7:00-7:50am every day up to Friday, September 9. During marching band, 6th grade students will also have band from 2:00-2:30pm during their homeroom time.

Starting the week of September 12 all 6th grade band members will combine into the 6th grade Concert Band. This band meets from 2:00-2:30pm during homeroom and after school 3 days a week from 2:30-3:00pm.

The after school practice schedule starting the week of September 12 will be as follows:

M-T-TH: Woodwinds after school

T-W-TH: Brass after school

T-TH-F: Percussion after school

Please note that the after school practices will not start until the week of September 12 once marching band is over.

As always, please feel free to contact me with any questions at cpedziwater@manhattan114.org. You can also find this information in the JH Band Handbook which can be found on the band website: www.manhattanbandboosters.com.

Thank you!

Carleen Pedziwater
Band Director
